

# Our Shared Leadership Commitment

## Your leadership is needed to:

- **Understand, agree and commit** to the strategic direction for IT services and support
- **Prioritize this project** as a top priority for your department, center or office
- **Promote** the CFAES IT Transformation Project at every opportunity

## CFAES and OCIO Leadership commit to the following:

- We will **partner** as we design and implement IT services and support
- We will **recognize changes** that may affect your faculty, staff and constituents and help address or mitigate impacts
